The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
5-202.11	The faucet handles for the food preparation sink have been removed. Have a licensed plumber install the handles for the sink. Ensure that all plumbing at the sink works as designed.	10/6/2008

Notes:

Restaurant is only open in the mornings for breakfast. No food preparation or activity observed during inspection.

There is dirty mop water in the mop bucket in the kitchen area. Old mop water must be dumped out each time after use. Do not allow dirty mopwater to remain in the mop buckets.

The soap dispenser in the employee restroom has fallen off. Reattach the soap dispenser to the wall.

Discontinue using the preparation sink as a draining board for drying utensils. All utensil/dish drying must be done on the far right drain board of the 4 compartment sink.
